- V. Endowment Policies – Anne
 - A. Anne went through the history and distributed a change in the endowment section which presents a new interpretation of Section 8.2.C.3 of the bylaws.

The current by-laws specify that:

‘Memorial gifts of any size and other gifts that become effective as a result of a death must be placed in the Income Endowment fund unless otherwise specified by the donor’

Issue:

The portion of the current by-laws that contains the language ‘unless otherwise specified by the donor’ should be interpreted consistently. This policy provides guidance on interpretation along with example language that can be used in a bequest.

Interpretation:

- All income from an estate, trust or special gift that are given with no language to their use goes directly into the Income Endowment Fund as specified in the by-laws.
- Any income from an estate, trust or special gift that contains language restricting its use to a particular purpose or project will be used only for that purpose or project if the Board accepts the bequest based on its purposes and limitations.
- Any income from an estate, trust or special gift that includes broad language such as “for the general purposes of the church” or similar, will be considered unrestricted and not “otherwise specified by the donor” and will, therefore, go into the Income Endowment fund.

Example language:

- I, Jane Doe, leave 10% of my estate to First Unitarian Church of Rochester
 - This gift will be added to the Income Endowment Fund
- I, John Doe, leave \$57,000 to First Unitarian Church of Rochester as a gift that is restricted to a specific use.
 - In the case of a specific use, a charter fund is established to manage the funds into the future if such a fund does not currently exist. Writing and approving the charter is the work of the Board of Trustees.
 - *Note: the Legacy Society works with donors considering leaving a gift for a specific purpose to ensure that it is consistent with the needs of the Church.*
- I, Jane Doe, leave 10% of my estate to First Unitarian Church of Rochester as an unrestricted gift or to be used for the general purposes of the church.
 - The gift will be added to the Income Endowment Fund.

1. A motion was made to approve this change, seconded and passed unanimously.

 3. To get the roofing done this spring, we have to have phase I, the design phase, and phase II which involves the competitive bidding of the job.
